** When you make a donation, you can receive a charitable income tax deduction of 66% within a 20% limit of your taxable income. (January 18 2005 legislation n°2005-32 of the social cohesion programming act, art. 127, CGI, art.200)*

Corporate donations are eligible for a 60% tax deduction within a 0,5% limit of their sales figures. Should companies exceed this limit during an accounting period, the tax deduction can be spread over the five accounting periods following the year of the donation, after recognizing payments carried out during each period and without exceeding the 0,5% limit.

In compliance with the legislation in force, you have every right to access and alter your personal information.
